

“constructing
 holistic solutions
 for your
 every need”

We go beyond
 National Boundaries
 for our
 Pre-Owned
 Construction Equipment
 Segment!

“Bridging relations between Construction Equipment Buyers & Sellers!”

- Connecting CE buyers and sellers across over 12,000 value-for-money transactions, till now
- A leading player with local knowledge & global reach
- Creating Customers for Life, while associating with leading contractors, traders and brokers
- A personalised approach through private treaties or negotiated deals, fulfilling every need with customised solution
- More than 200 exclusive CE online bidding events, conducted every year
- Pan-India presence with 150+ bidding locations, including 50+ well structured Automall

WHY CE BUYERS CHOOSE US?

Because, we serve them:

- Widest range of pre-owned construction equipment
- Competitive price range
- Varied bidding platforms offering ultimate convenience at every step of the transaction
- Easy finance available*
- Transparent dealing at every stage

WHY CE SELLERS CHOOSE US?

Because, we serve them:

- Widest network
- Value-for-money transactions
- Huge customer base
- Quick & expert deals
- Timely payment collection

In the ever-evolving competitive space of pre-owned construction equipment (CE) business, SAMIL gains a leading edge by bringing a huge variety of CE on a single platform.
