With the steady growth in the market for commercial vehicles and equipments, there is a gaping need for a facility offering services that can meet all the requirements of the customers. Shriram Automall is an initiative by Shriram Transport Finance Company Ltd. to offer consolidated services to commercial vehicle and equipment owners who operate in a fragmented market.

The Automall functions as a one stop shop and offers services like buying/selling of used vehicles or equipments with complete documents, fully secured stockyards, parking facility, finance, insurance, documentation, refurbishment at New Look, Shriram One Stop Kiosk, spare parts and accessories. Our Automalls and yards are available all across the country.
